Your Creative Roc Day Door Prize Donations Needed

Donations are needed for door prizes to be given away at *Roc Day* 2020. To show off the creativeness of our members, we would like donations of fiber items you have made to use as door prizes at *Roc Day*. If you have some fiber creations would like to donate, contact the Guild or bring them to any guild meeting or event by January 1. Please include a card with your name as donator, what the item is, process used, i.e. knitting, crocheting, weaving, spinning, tatting, etc., what type of fiber was used, and care instructions if applicable. The card will be included with the door prize given way at *Roc Day*. This is your chance to show off a little and get some recognition for the beautiful work you have done.

Weave a Tote Bag Continues

We are continuing the *Weave a Tote Bag*, with participants preparing their looms for weaving, and scheduling their working time. The Tuesday December 10 meeting will be in the *Weaving Studio*.

Weaving with the Inkle Loom – Beginner and Beyond

On Saturday February 15, 2020, 10:00 a.m. – 2:00 p.m., the Huntsville Fiber Guild will present an inkle loom workshop at Bailey Cove Library. There is no supply fee. The workshop is open to adults and youth ages 14 and up.

Beginners will learn to weave on an inkle loom, which can be used to make narrow bands. In class you can make a bookmark, hatband or strap, depending on how much time you want to spend. Begin to learn the language of weaving. The inkle looms will be ready to use when you arrive. At the end of the class, learn how to dress an inkle loom. No weaving experience is required.

Those who can already weave on an inkle loom will learn how to weave letters.

If you have an inkle loom and already know how to dress it, we'll gladly send you the draft for dressing your own inkle loom so you can bring it to class.

Learning Opportunities in the Community

Please let us know if you’re teaching any kind of fiber class or workshop, or know of other learning opportunities in the community. Non-profit classes, workshops and conferences will be advertised in the newsletter as a service to members. For-profit classes or workshops will be advertised for commercial members.

As a service to the community, local fiber businesses that are not commercial members may advertise one class in the newsletter per year (subject to approval by guild). Local fiber businesses are welcome to post any of their classes/workshops on the guild’s facebook page or ravelry group. (If you do not know how, contact the guild to post it for you.)

Shuttle Tatting

Tatting is a form of lace making that has undergone cyclic interest since the early-mid 1800s. Currently in a resurgence, this fiber art has the advantages of being extremely transportable and compact, minimal cost, reasonably quick to produce, and capable of a broad range of designs from jewelry to doilies to clothing accessories.

You can find tatters each Tuesday from 10:00 a.m. – 12:00 p.m. at the Bailey Cove Public Library. We’re always ready to teach new tatters, share our favorite tatting patterns, swap threads, and foster the art. We hope you will join us and tell your fiber art friends about our gatherings.

For more information (and to confirm the meeting dates), email Mike.Lyon@comcast.net or call 256-658-7314.

Chain Reaction Crochet Group

Chain Reaction is a local chapter of the Crochet Guild of America (CGOA). The local group meets the second Wednesday of each month, 6:30 p.m., at Panera Bread in Bridge Street Town Center. The next meeting is
